

Directions to Brick Beach III

From GSP heading south: Exit at exit 89, and follow signs to Brick. Once off the ramp and on Cedarbridge Ave., continue all the way to Route 35. Turn right on 35 (south) and follow that approximately 1.5 miles. Turn left just past the 2nd parking lot in the median. You will see the pavilion on the north bound side

From GSP heading north: Exit at Exit 82 for Route 37 east. Follow route 37 east to route 35 north/Lavalette. Once on 35 north you will travel about 7 minutes (not sure of the exact distance). You will pass a Wawa on the left side and the beach entrance will be on the right approximately 1 mile.

Route 35 heading south: Follow directions above from GSP south bound.

We will have an **ISD Banner** hanging on the Pavilion. So if you pass the parking lot but see the banner just make u-turn and come on back
